## ***E Ola Pono:*** **Middle School Health Education Curriculum Pilot Training**

### **WHAT**

A 4-day training opportunity to implement the *E Ola Pono*: Middle School Health Education Curriculum proudly sponsored by the Kamehameha Schools' Health, Wellness and Family Education Department (KS/HWFE), and curriculum consultants Maura O'Connor and Ka'ōhua Lucas

*By attending this four day conference, educators will receive specified training in a culturally based approach to Health Education that is aligned to DOE Hawai'i Content and Performance Standards III and the Nā Honua Maui Ola Guidelines. This initial training opportunity will be offered to a limited group of educators.*

### **WHO**

KS/HWFE is looking for educators who are:

- ***Passionate*** about teaching and learning health education presented from a cultural viewpoint.
- ***Committed*** to attend the full four days of training.
- ***Works*** with students in grades 6–8 in regular DOE classroom settings, alternative learning settings; and or teaching at a Nā Lei Na'auao charter school.
- ***Willing*** to implement and help KS/HWFE measure the impact of the curriculum. This will include curriculum assessments, pre/post tests and feedback on the product

and the implementation process. Feedback will include teacher reflections on each lesson, collection and analysis of student products, journals and focus group participation.
